ARIEL BENJAMIN

(804) 994-1792 | arielbenjamin003@gmail.com | Richmond, VA | linkedin.com/in/ariel-benjamin

PROFESSIONAL SUMMARY

Marketing professional with hands-on experience in university enrollment marketing: sourcing student lists, running email, SMS, and Meta campaigns, and collaborating with Client Success on 10 partner accounts. Organized, detail-driven, and quick to adopt new tools.

EDUCATION

Virginia Commonwealth University, School of Business — **Richmond, VA**
B.S. in Marketing, Concentration in Product and Brand Management | *Minor in Entrepreneurship* — *May 2025*
Cum Laude | Dean's List 2023, 2024, 2025

EXPERIENCE

Two Ocean Education Partners (MarketView) — **Richmond, VA**
Campaign Specialist — *November 2025 – May 2026*

- Sourced prospective student and parent audiences for 10 university partners through College Board and Encoura list buys, executing academic, geographic, and demographic criteria set by Client Success and Analytics; loaded new records into Iterable.
- Deployed prospect-to-inquiry campaigns in Iterable that converted engaged, newly sourced students into inquiries.
- Executed ad-hoc, inquiry-transition, and content-topic email/SMS campaigns, with single sends reaching 100,000+ students.
- Created and built Meta ads for university partners in Meta Ads Manager, working with Creative and Project Coordinators on assets and timelines, and monitored ad engagement and comments.
- Collaborated with Client Success and Account Management on university partner accounts, joining partner calls, fulfilling list-buy and campaign requests, and preparing deliverables for Account Managers to send to partners.
- Monitored campaign health through biweekly Mailgun inbox-placement tests, delivery counts, and journey QA; documented recurring inconsistencies that helped surface an Iterable platform issue later validated by engineering.
- Managed daily campaign timelines and deployment tracking in Monday.com across Creative, Project Coordination, Account Management, and Client Success, keeping owners, handoffs, and deadlines clear across concurrent partner deliverables.

Feed More — **Richmond, VA**
Marketing and Outreach Intern — *April 2024 – August 2024*

- Interviewed volunteers, dispatchers, and former volunteers across Meals on Wheels dispatch sites to diagnose onboarding, wayfinding, and operational pain points.
- Turned field findings into solutions with a cross-functional intern team: revised onboarding materials, new signage, and recommendations for dispatch-site layout and flow.

YMCA of Richmond — **Midlothian, VA**
Membership Coordinator — *May 2023 – September 2024*

- Served as a primary point of contact for members at a high-volume front desk, managing accounts, registrations, payments, and membership changes while delivering high-touch service under pressure.
- Trained new staff, supported membership enrollment, and resolved member concerns, escalating complex issues when needed.

StandWithUs — **Los Angeles, CA**
Emerson Fellow — *September 2022 – May 2023*

- Led campus education and advocacy initiatives at VCU, organizing 4 events, managing outreach, promotion, tabling, and promotional materials, and engaging students with varied perspectives in constructive dialogue on sensitive topics.

PROJECTS

Custom Centralized CRM System | *Freelance Client Project* — *May 2026 – Present*

- Partnered with a local home-services business owner to map the full lead-to-job pipeline, replacing scattered spreadsheets, messaging apps, and manual processes with one system that supports 7 technicians.
- Built the mobile-friendly CRM in Base44 and Claude for customer records, scheduling, technician assignments, and workflow stages; also handle SEO, AEO, GEO, and GA4 analytics for the business.

Verdantly | *AI Plant-Care App (Independent Project)* — *July 2026*

- Designed and built a fully functional AI plant-care app prototype and its brand identity using AI-assisted development tools.
